

Greater Hartford's Business News — in print, online and in person!

Each business has different marketing goals. Our mission is to truly understand what those goals are, and what marketing approaches will meet and exceed them. The end result — we design campaigns that work!

Favorite things — Music: Sugarland;
Movie: Pretty Woman; Meal:
Steak and potatoes (believe it
or not).

Influences — I dedicate my
business sense and hard work
ethic to my Dad, Bill Vendetta.

Peer to Peer Advisors — has
made me more focused on how
to be my best and achieve results
by using my own style to its' full-
est. In any sales position you can
get stuck and feel overwhelmed. It's
important to continue to grow and
improve your skills — Peer to Peer
definitely helps me do that.
